Guidelines for Alaskans

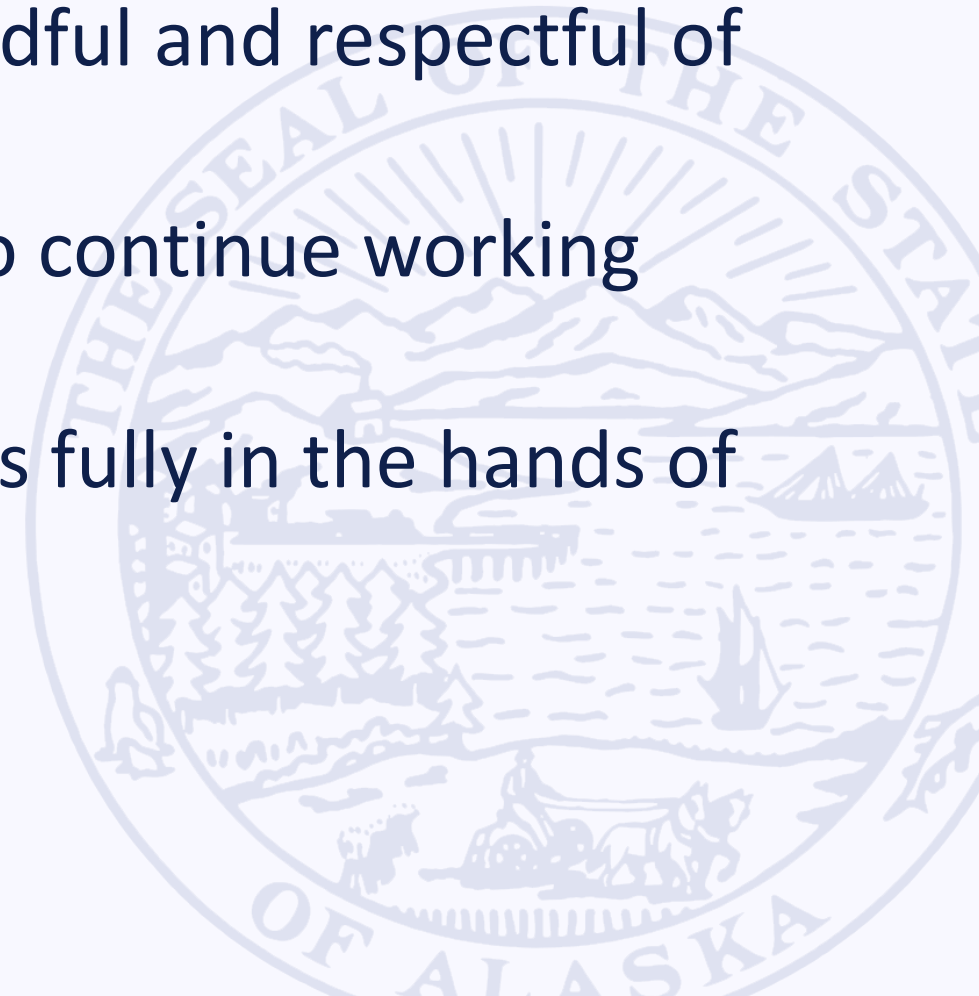

- Stay 6 feet apart from non-household members.
- Wash your hands frequently.
- Sanitize and clean high touch surfaces frequently.
- Stay home if you are sick and get tested for COVID-19 if you have symptoms.
- Wear a face covering in public places when near others.

Key Points to Remember

- Seniors and Alaskans with certain medical conditions are vulnerable to COVID-19. Please be mindful and respectful of their increased vulnerability.
- If possible, work with your employer to continue working remotely.
- The success of remaining open now lies fully in the hands of Alaskans.

Limited Restrictions Still in Place

- 14 Day Interstate & International Quarantine still in place .
- Visitor restrictions at senior centers, prisons, and institutions.
- Local communities may have stricter health restrictions.
- Health Mandates 15 (Elective Medical/Dental), 17 (Commercial Fishing), and 18 (Intrastate Travel) remain in effect.
- Large gatherings and festivals should consult with public health officials before scheduling
- Disaster Declaration for COVID-19 remains in place
